Please be advised that any and all requests for information from the Water and Sewer Department are to satisfy mandatory requirements by the EPA. When requests are sent, please return in a timely fashion. Delays and second requests cost all of us in time and money and will eventually be reflected in rates and services. Thanks for your cooperation.

Sewer

In the event of a sewer blockage, it is advisable to contact the village clerk's office prior to contacting a sewer cleaning service so that village mains can be checked first to assure they are not blocked. Please do not dispose of baby wipes, or "so called" disposal wipes and grease or other tough materials in the sanitary sewer as this will cause blockages in your lines, our sewer mains and pump impellers.

Sewer charges are based on your water usage. The filling of swimming pools over 1,000 gallons can receive a deduction in their sewer charges by contacting the village hall.

Pests

General Information

Halloween hours are 6:00-9:00 p.m. on October 31 only.

Members of the Village Board have completed Freedom of Information Act/Open Meetings Act training through the Attorney General's office.

The U.S. flags displayed along the highway on holidays are no longer the responsibility of any one organization. The flags belong to all of us. Several community organizations are involved in the displaying of flags on holidays. Occasionally, help and funds from area residents will be needed for replacement of flags, poles and brackets. A dollar or two donated each year from some of our area residents would be enough to cover the costs. All help is appreciated. To make a donation, simply mark an envelope "Our Flag" and drop it by the Alhambra village hall.

The health and safety of the residents is our primary concern. Please notify us if you see any safety concerns throughout the village. Alhambra Park has been designated as a cooling center

Please stop by and see the nice display of Alhambra history in the lobby thanks to Village residents. Items can be donated to the village hall for display.
